

ANY TIME IS A GOOD TIME FOR A GREAT COCKTAIL™ OR A BEER!

Signature Cocktails

Drink Wisconsinbly Old Fashioned (\$10)

This Wisconsin classic is made with our very own DW Brandy. Forest Floor bitters and sugar mixed in. Garnished with an orange slice, cherry, and if you weren't feeling at home enough already, a squeaky cheese curd.

The Red Forman (\$9)

A liquid homage to sharp-tongued TV dads of yore. This no-nonsense concoction is specially formulated to make your wisecracks up to 20% wiser. Bourbon, peach schnapps, lemon and sour mix.

The Laverne & Shirley (\$10)

Schlemiel! Schlimazel! Hasenpfeffer Incorporated! If we're making a Shirley Temple, we're gonna do it our way, yes, our way. *Rehorst* vodka, *Good Land* cherry liqueur, topped with *Two Brothers* Brew City lemon lime soda.

Jumping the Shark (\$12)

Aaaay. Bold, unexpected, and a little bit decadent. Like wearing a leather jacket while water skiing. Citrus blend, blanco tequila, peach schnapps and cranberry.

Dad's Cherry Cola (\$10)

Housemade cherry DW Brandy and cola. Just like when you used to accidentally get into your parent's medicine closet when they were out playing Bingo.

Tomahawk Collins (\$10)

Imagine if Tom Collins himself was from north central Wisconsin. Well, he might be. Who knows? *Rehorst* gin, fresh lemon juice, simple syrup and club soda.

Drink Wisconsinbly Brandy Slushy (\$11)

The Wisconsin brandy slush is a refreshing midwest classic. Ours features an icy mix of fruit juice and DW Brandy.

Devil's Lake Lemonade (\$12)

We took the wholesome summertime classic and corrupted it. Enjoy the familiar refreshment with an added bump of local flavor. Passionfruit, lemonade and DW Brandy. *Non-alcoholic option also available.*
